Continuation of 4(e) Other: The claims have not been underlined and striked through properly and this is leading to serious objections and indefiniteness of the non-compliant claims. For example Claim 1: "...and at least one service send an itinerary..." makes little sense. And "...and said service~ means for receiveing" FIRST OFF is not entered appropriately secondly were Examiner to enter they would not make sense. "said service receive"? This is also apparent in the next improperly underlined/struckthrough "...recieveing said itinerary". Applicant is herein given opportunity to correct the amended non-compliant claims and address these objections.
